How do you stay current when the knowledge base of medicine doubles every few years?

Medicine advances at an amazing pace, yet you can remain current through a wealth of CME opportunities offered to you.

To keep abreast of these programs, conferences, workshops and accreditation activities, order the new *Continuing Medical Education Directory*.

This complete reference, just published by the American Medical Association (AMA), contains information not available anywhere else. It pulls together all the information you need to fulfill your CME obligations, including:

- CME requirements of state licensing boards, state and specialty societies, and the AMA Physician's Recognition Award.
- State and national society meeting dates.
- Easy-to-use listings of self-assessment and personalized/focused CME programs.

The *Continuing Medical Education Directory* serves as a unique reference for CME planners, too.

To order your copy, call 800 621-8335 (OP412492DS). The price is only \$36 for members of the AMA and \$45 for nonmembers.
