POSITION OPEN

THE AMERICAN UNIVERSITY OF BEIRUT FACULTY OF MEDICINE • ACADEMIC APPOINTMENTS • FACULTY POSITION IN PHARMACOLOGY AND TOXICOLOGY

The Department of Pharmacology and Therapeutics at the American University of Beirut Faculty of Medicine is seeking faculty members at the Assistant Professor level. Applicants must hold a Ph.D. or M.D. and have had post-doctoral training in the field of pharmacology or toxicology. Particular areas of interest include cardiovascular and renal pharmacology especially diabetes mellitus related complications, autonomic pharmacology, and medical/environmental toxicology, but others may be considered. The candidate is expected to establish independent research, participate in teaching pharmacology, toxicology and therapeutics to medical, nursing and graduate students, and provide service to the university. Previous experience in teaching is advantageous. The cardiovascular/renal specialist will join a core group of researchers forming the Cardiovascular/Renal Research Group and will provide added value to the ongoing research. The toxicologist will make use of the Environmental Core Laboratory housing state-of-the-art analytical equipment, will develop a toxicology line of research within the department, and can link with other researchers in the field from the various faculties of the university. Applicants may be considered for higher level positions (Associate Professor and Professor) based on their experience and achievements.

Applicants should submit their curriculum vitae, the names of 4 references, and a statement on their accomplishments and future plans in the areas of research and teaching, to:

Dr. Joseph Simaan, MD, Chairman, Department of Pharmacology and Therapeutics, American University of Beirut, P.O.Box 11-0236/37 Beirut, Lebanon

FAX: 961 1 744 464 (Beirut)
e-mail submission is also accepted at this address:
jsimaan@aub.edu.lb

The American University of Beirut is an Affirmative Action/Equal Opportunity Employer.

Why Publish with ASPET?

Because ASPET gives you these advantages:

- ◆ **Low Page Charges** — \$40/page for ASPET members, \$80/page for nonmembers
- ◆ **Low Color Fees** — \$200/color figure for ASPET members, \$400/color figure for nonmembers
- ◆ **Online Manuscript Submission** — submit your manuscript 24/7 — whenever it suits your schedule; online peer review reduces review times; track the progress of your manuscript through the review process
- ◆ **Publish Online Ahead of Print** — manuscripts are published online shortly after acceptance — at least two months prior to print publication
- ◆ **Wide Dissemination** — accepted manuscripts are publicly accessible *immediately*; fully formatted articles are publicly accessible 12 months after publication; low-cost pay-per-view option for nonsubscribers; abstracts and tables of contents always publicly accessible
