American Society for Pharmacology
and Experimental Therapeutics

COMPLIMENTARY CAREER SERVICES

The Career Center is an absolute must for any professional looking to start their research career, anyone thinking it's time for a job change or for the seasoned professional wanting to brush-up on their professional development skills.

- The Career Center is FREE and open to all EB attendees and job seekers in the life sciences and research professions.
- Beginning on March 27, 2011, employers and job seekers will have 24-hour access to the Online Career Center site to list their job opportunities and profile information by accessing the website, <http://careers.faseb.org>. The Online Career Center will be available through April 13, 2011. Each Career Center online job posting will be available online for 30 days from date of its initial posting.
- Employers can use the online career center to review candidate resume profiles, email potential candidates, request and schedule interviews.
- Limited interview space is available onsite and is offered on a first-come, first-served basis.

EXCLUSIVE CAREER DEVELOPMENT OPPORTUNITIES

For registered EB attendees only

The Career Center offers more than 30 seminars to enhance your professional development skills. The career development seminars are included with your registration fee and are exclusive to EB 2011 attendees. A full list of the seminars is available on the meeting website, www.experimentalbiology.org.

EB 2011 TRAVEL AWARDS

The FASEB MARC Program will be sponsoring EB 2011 Travel Awards to help support the participation of faculty/mentors, postdoctoral fellows, and students from minority institutions and historically black colleges and universities. The awards are funded for travel-related expenses and meeting registration and are provided as reimbursements after the meeting. The travel awards are supported by a federal training grant from the NIGMS, NIH; therefore, only U.S. citizens and permanent residents of the U.S. are eligible. Underrepresented minority faculty, students and postdoctoral fellows from other institutions are also encouraged to apply. For travel award information and application forms visit <http://www.faseb.org/marc>.
