## POSITION OPEN

### FACULTY POSITION • PHARMACEUTICAL, ADMINISTRATIVE, AND SOCIAL SCIENCES • UNIVERSITY OF APPALACHIA COLLEGE OF PHARMACY

The University of Appalachia College of Pharmacy is seeking applications for a 12-month, full-time faculty position. Our mission is to provide a high quality pharmacy education with an emphasis on serving medically under-served areas and instilling in our students and practitioners the values necessary to serve society as caring, ethical, learning professionals. Successful applicants will have demonstrated excellence in academics, research and communication skills, and will have an opportunity to assist in the growth and development of the new College of Pharmacy.

**Assistant/associate professor of pharmacology.** Duties: A full time faculty member is sought for teaching the Doctor of Pharmacy professional students in the didactic components of the curriculum, provide service to the College, and maintain an independent scholarship or research program.

The successful candidate must have earned a PhD degree in pharmacology or related discipline. Post doctoral experience and/or a background in pharmacy or pharmacy education are preferred.

Interested applicants should submit a completed application (available at [www.uacp.org](http://www.uacp.org)), along with a curriculum vitae to Human Resources, 1060 Dragon Road, Oakwood, VA 24631, or fax to 276-498-4193 or email to [HR@uacp.org](mailto:HR@uacp.org).

The University of Appalachia is certified to operate in Virginia by the State Council for Higher Education of Virginia. The University of Appalachia is an Equal Opportunity Employer.

### FACULTY POSITION IN PHARMACOLOGY • TOURO COLLEGE OF OSTEOPATHIC MEDICINE

The Touro College of Osteopathic Medicine is now accepting applications for a faculty position in Pharmacology. The College is located in Harlem, in New York. We are seeking candidates who will be energetic, enthusiastic and committed individuals with an outstanding teaching record.

Although the primary responsibilities will be teaching medical students, faculty members are encouraged to develop their own research programs. Salary will be commensurate with experience. A comprehensive benefits package is also included. To apply, please submit a CV electronically (MS Word or pdf) with three references and their contact information. Include a detailed history of your teaching experience and a concise statement of your teaching and research goals to: [faculty.med@touro.edu](mailto:faculty.med@touro.edu).

All materials will be handled with strict confidence. Women and minorities are especially encouraged to apply. Touro College is an equal opportunity employer.

Details about college can be found at [www.touro.edu/med](http://www.touro.edu/med).

## CLASSIFIED ADVERTISING

**For quotes and additional information, contact:**  
FASEB AdNet, 9650 Rockville Pike  
Bethesda, MD 20814-3998

**Product Ad Sales:**  
800.43.FASEB ext 7103

**Recruitment:**  
800.43.FASEB, ext 7156 or 301.634.7156

**Production:**  
800.43.FASEB, ext 7117 or 7791 or  
301.634.7117 or 301.634.7791  
Fax: 301.634.7153 Email: [adnet@faseb.org](mailto:adnet@faseb.org)

Position Openings, Fellowship Opportunities, and Conference Announcements can be promoted as line ads in **Molecular Interventions**. *MI* has a circulation of over 4,500, including all members of the American Society for Pharmacology and Experimental Therapeutics.

**Line Ad Rate:** \$12 per line, 10-line minimum. Line rates are non-commissionable.

**Logos and Borders:** You can include your logo or put a border around your ad for maximum visibility. The additional cost is based on the number of lines filled by the logo or border.

**Cost Estimate:** AdNet can provide an estimate of the cost of your line ad. Please email ad copy to [adnet@faseb.org](mailto:adnet@faseb.org). Line ads are estimated at approximately 44 characters per line. Please allow for slight variations between estimates and actual costs in purchase orders.

We will provide gratis three lines, in the following format:

**POSITION TITLE (IN BOLD) •  
DEPARTMENT / DIVISION •  
INSTITUTION**

These three lines will be assigned by the *MI* classifieds editor on the basis of information provided by the advertiser in the body of the ad.

**Online Ad Posting:** Line ads are also posted on the ASPET web site at no additional charge. The ASPET web site receives an average of 432,000 page views per month.

Ads are posted online within 3 business days of AdNet receiving a finalized order.

**Submissions:** Ad copy should be submitted via email to [adnet@faseb.org](mailto:adnet@faseb.org). You must include contact name, phone number, billing address, and purchase order number in your email. Credit cards are accepted in place of PO numbers.

**Recruitment Display Advertising:** Molecular Interventions accepts recruitment display ads. Advertising rates and specifications for recruitment display ads are the same as for product advertising. Display rates and specs can be found at [www.molinterv.org](http://www.molinterv.org) or email [adnet@faseb.org](mailto:adnet@faseb.org).

# THE TACONIC ADVANTAGE

## ADME-Tox

Another Taconic breakthrough:  
The first and only portfolio of commercially available, fully licensed transgenic ADME-Tox mouse models.

Introducing:

## THE HRN™ MOUSE (Hepatic Reductase Null)

Lacks hepatic cytochrome p450 activity

Evaluate efficacy of drug leads with small amounts of compound

Determine whether efficacy or toxicity is due to parent or metabolite

Available exclusively from Taconic.

# The IX<sup>th</sup> World Conference on Clinical Pharmacology and Therapeutics

## July 27 – August 1, 2008

### Québec City Convention Centre, Québec City, Canada

#### Incorporating the 5<sup>th</sup> Canadian Therapeutics Congress

(Canadian Society for Clinical Pharmacology, Canadian Association for Population Therapeutics, Canadian College of Clinical Pharmacy)

## Mark your calendar!

**It's the first time since 1983 that CPT is held in North America.**

**Do not miss this one!**

CPT2008 will bring together recognized international experts, in all areas of clinical pharmacology, clinical pharmacy, basic pharmacology, toxicology and pharmacoepidemiology to support better health outcomes and rational use of drugs.

The exciting program will appeal to attendees whose interests range from the molecular to community health. New sciences of pharmacogenomics and proteomics will be well represented. The program will allow open discussions on the advances of drug research and utilization.

The celebration of 400 years of Québec City history will provide an outstanding backdrop to sizzling science.

### Important Dates

**Early Registration Deadline:**  
**April 30, 2008**

**Accommodation Deadline:**  
**June 16, 2008**

Organized by: the Canadian Society for Clinical Pharmacology (CSCP) and the National Research Council of Canada, under the auspices of the International Union of Basic and Clinical Pharmacology (IUPHAR).
